Register for an Access Point Account for USP Online Products (USP-NF, USP FCC)

Note: If you already have a USP Access Point account that you use for other online USP applications, you can login with that account.

Create your Access Point Account:

1. To create a USP Access Point account, go to https://usp.az1.qualtrics.com/jfe/form/SV_bEM8pqWOF2tiF7v and complete the survey.
   a. Select your status.
   b. Select “For-Profit college or university”.
   c. On the “Create Account” page
      i. Enter your South College email address.
      ii. Enter “South College” in the company field.
      iii. For students, enter “Student” in the “Job Title” field.
      iv. For students, choose “Other” in the “Role” menu.
      v. Leave the Subscription Key field blank.

2. Once you create your account, an activation link will be sent to your email for confirmation.

3. Click the emailed link to activate your account on the South College subscription.
   a. Note: If you receive a “No Access” error message, click the logout link and sign in again.

Once you have activated your account, you will be able to login to USP-NF Online.
